2. between Us and a Participant;
3. by a written endorsement executed by Us.

Except as otherwise provided in a writing signed by both the Policyholder or Participant and the Company and made a part of the Contract, a change, when made, shall be binding on all Insureds. The Company will not be bound by any promise or representation made to any person who is not a duly authorized officer of the Company or who is acting outside the scope of his authority as an officer for the Company. No agent or broker has any authority to change the Contract, extend the time for payment of any premium or waive any provision of the Contract.

No statement made by any Insured relating to his or his Dependent's insurability shall be used to contest the validity of an Insured's coverage after the Insured's coverage has been in force prior to the contest for a period of 2 years during the Insured's lifetime (or Dependent's lifetime, if applicable). Any statement used in a contest must be in writing and signed by the Insured, or on the Insured's behalf, and a copy of any such statement must be given to the Insured or the Insured's beneficiary.

NOTICE OF CLAIM

A written notice of claim providing enough information to identify the Insured must be sent to Us at Our Home Office within twenty (20) days after the date of occurrence of the event for which claim is being made, or as soon thereafter as reasonably possible.

If the Contract includes a Waiver of Premium benefit for Life Insurance, please refer to the separate Notice of Claim and Proof of Claim requirements contained in that section for that benefit.

CLAIM FORMS

When We receive notice of claim, We will send the claimant the forms to be used in filing proof of claim. If We do not send these forms within 15 days, the claimant may meet the requirements for proof of claim as long as he sends written proof satisfactory to Us detailing the nature, occurrence and extent of the loss within the time limit stated in the PROOF OF CLAIM provision below.

PROOF OF CLAIM

Written proof of claim satisfactory to Us must be sent to Us at Our Home Office within 90 days after the date of the event for which claim is made. A claim will not be reduced or denied if it was not possible to send the proof within this time; however, proof of claim must be sent as soon as reasonably possible. In any case, the required proof must be sent to Us no later than one year after the 90 day period specified above, unless the claimant was legally incapacitated.

If the Contract includes a Waiver of Premium benefit for Life Insurance, please refer to the separate Notice of Claim and Proof of Claim requirements contained in that section for that benefit.

INFORMATION

We, or Our designated contractors, may obtain from any relevant person or entity information relating to a claim for benefits. We may also furnish information to other entities providing similar benefits.

Each Participant shall maintain its own records of transactions relating to the Contract, including, but not limited to:

1. the names of all Insureds;
2. the Beneficiary(ies) of each Certificateholder;
3. the date upon which each Insured became insured under the Contract; and
4. the effective date of any change in an Insured's insurance under the Contract.

The Participant will furnish Us with a copy of such records and will immediately report to Us any change in such records. We have the right to inspect any records of the Participant which We deem relevant to the administration of the Contract and the adjudication of claims hereunder. We may inspect such records during the Participant's normal business hours.

You and/or Your Dependents shall be enrolled on forms approved by Us. Certificates will not be issued until enrollment forms are received and approved by Us.

In furnishing information to Us, the Participant is not acting as Our agent. No information known to the Participant shall constitute notice or knowledge to Us until it is actually received in writing at Our Home Office.

Errors of a Participant in furnishing information will not invalidate insurance which should have become effective; and Participant reporting errors will not continue, extend or create insurance which should have terminated or for which the Employee or Dependent was not eligible under the Contract. Premiums shall be paid, credited or offset as appropriate when such errors are detected.

LEGAL ACTIONS

No claimant may sue for payment of claims within 60 days after the date proof of claim is sent as required, or more than 3 years (5 years in Kansas and Tennessee, 6 years in South Carolina and the applicable statute of limitations in the State of Florida) after the time proof of claim is required.

If any time stated in the Contract for giving notice or proof of claim, or beginning legal action, is less than that permitted by the laws of the state in which the Contract was delivered, then such limit shall be extended to the minimum period of time required by such laws.

MISSTATEMENT OF AGE OR SEX

If the age or sex of an Insured has been misstated, We will adjust the proceeds and/or premiums due under the Contract. If adjusted, the proceeds will be the amount that the premiums paid would have purchased at the correct age and/or sex.

AUTOPSY AND PHYSICAL EXAMINATION

We, at Our own expense, have the right to have a physician of Our choice examine an Insured as often as reasonably necessary while such Insured has a claim pending. We also have the right, at Our own expense, to have an autopsy performed, unless prohibited by law.

PREMIUMS

The first month's premium must be paid to put coverage under the Contract in force. Premiums are due monthly, unless the Company agrees to another mode. The premium due date is shown in the Participant's Trust Application.

GRACE PERIOD

The Company allows 31 days after the due date for a Participant to pay any premium, except for the first. During the days of grace, this insurance remains in force. This insurance terminates if the premium is not paid within this period. The Participant will be responsible for premiums during the grace period.

PREMIUMS SUBJECT TO CHANGE

Premiums for the Contract may not be changed during the first twelve months after a Participant's Effective Date, unless the terms of the Contract are changed, in which case any change in premium will take effect concurrent with the change to the Contract. Otherwise, We have the right to change the premium at any time so long as We give the Participant thirty-one days advance written notice of any change in premium. New premium rates will take effect on the next premium due date following the notice of change.

Premium adjustments resulting in a refund of unearned premium must be requested by the Participant within 12 months of the date in which such premium adjustment was effective.

RIGHT TO RECOVERY

If any payment made by Us under the Contract is more than the correct amount due hereunder, We may recover the overpayment from the person or entity to whom the benefits were paid.

APPOINTMENT OF BROKER

If a Participant appoints an insurance broker to procure or administer the Contract, We may give all notices contemplated by the Contract to such broker. We must receive written evidence of such appointment from the Participant. After receipt of such written evidence, notice to, and communications from, the broker will be deemed dealings between Us and the Participant. An affiliate, subsidiary or employer of the Participant may not exercise the rights of the Participant. The Participant, or its broker when appointed by the Participant, will be the exclusive agent for any subsidiary, affiliate, employer, employee and/or any other person covered under the Contract, in matters concerning the Contract.

Any costs incurred in connection with the Evidence of Insurability shall be the responsibility of the Employee. Insurance coverage will then become effective on the date designated by Us.

The effective date of insurance for an Employee, or the effective date of any change in the amount of an Insured's insurance, will be delayed if the Employee is not in Active Employment. Insurance coverage under the Contract, and any changes in any amount of coverage hereunder, will be effective on the date the Employee returns to an Active Employment status.

Effective Date of Dependent Insurance

You must make written Application, and submit Evidence of Insurability if Application is made more than 31 days after the Certificateholder first became eligible to apply, for each Dependent in order to obtain Dependent Insurance under the Contract.

Dependent Insurance will commence on the latest of:

2. the date You first acquire a Dependent and makes written Application and submits Evidence of Insurability, if required, to Us for such Dependent and the Application is approved by Us.

The premium for the individual policy will be based on Our then customary rate applicable to the individual life insurance policy, the face amount of the individual life insurance policy, the class of risk to which the Insured belongs and the age attained by the Insured on the effective date of the individual life insurance policy.

In the event the Insured dies within the conversion period, the amount of life insurance which qualifies for conversion to an individual life insurance policy will be payable under the Contract even if no application or payment of the first premium for the individual life insurance policy has been made.

The Policyholder must give an Insured notice of this Conversion Privilege at least fifteen days prior to the expiration of the thirty-one day conversion period described above. In the event notice is not given to the Insured within this fifteen day period, the period in which such Insured may apply for an individual life insurance policy under this Conversion Privilege shall be increased to fifteen days after the Insured does receive notice. However, in no event shall such increase in time in which the Insured may apply for an individual life insurance policy under this Conversion Privilege extend beyond sixty days after the expiration of the original thirty-one day conversion period. CONTINUATION OF LIFE INSURANCE COVERAGE

If You become Totally Disabled while insured under the Contract, Your Life Insurance coverage will be continued by Us for a period of 9 months from the date Your Total Disability began, so long as:

Important Announcement

Long Term Care Insurance Coverage

Attached is an amendment to your insurance coverage. Please keep it with your existing Life insurance certificate of insurance.

This Long Term Care (LTC) benefit is being offered as an enhancement to your group Life insurance plan.

Madison National Life Insurance Company works with National Insurance Services to provide your group's Life insurance coverage. All employees in your group, covered by this Life insurance plan, are being offered LTC coverage.

Long Term Care (LTC) insurance is the coverage most talked about in the insurance industry today. This coverage is being offered to you on a guaranteed issue basis upon retirement.

Guaranteed issue means that you have the right to purchase LTC insurance with no medical questions asked. The only provisions you must meet upon retirement are:

- 1) You are actively at work on your last day of scheduled work.
- 2) You are retiring at a normal retirement age as defined by your state pension plan.

What benefits does the Guaranteed Issue LTC plan provide?

Your basic LTC coverage offers benefits of up to \$3,000 per month for LTC care including nursing home care, assisted living, and home health care. 100% of your LTC cost is covered, up to \$3,000 per month, regardless of the location of care (e.g., your home, nursing home, assisted living). Benefits are available after a 90-day waiting period. Your maximum lifetime benefit is \$72,000. Therefore, if you use the full \$3,000 allotted per month, your LTC coverage will span 2 years; if you use less than the full \$3,000 per month, your coverage will continue until the lifetime maximum benefit amount of \$72,000 is depleted.

Your first 90 days of LTC coverage is on a free-look basis.

No premiums are due until the second quarter of coverage begins. This gives you an opportunity to make important decisions regarding your LTC needs; you will receive tools and assistance in making this important decision.

You do not have to apply for LTC coverage at the time of retirement.

Because your group's Life insurance coverage is handled through National Insurance Services (NIS), you do not have to apply for LTC coverage. At the time of your retirement, your employer will notify NIS. Your 90-day free-look LTC policy is then mailed to your home.

During your 90-day free-look period, NIS will review with you the additional coverage options available. We will help you evaluate your coverage based on your needs. You then choose to retain your basic LTC coverage, enhance it if appropriate, or cancel it.

Your LTC insurance coverage includes enhancement options that may be important for you. See the other side of this sheet for information about LTC enhancement options.

Enhancement Options

Enhancement options are available to you. Enhancing your LTC plan is recommended for many, but not all. You will have the opportunity to evaluate whether enhancing your coverage is right for you.

The enhancements offered allow for:

- Higher monthly benefits (from \$3,000 to \$9,000)*
- Longer benefit durations: 3 years, 4 years, 5 years, and lifetime*
- Different waiting periods of 20, 60, 90, or 180 days*
- 20% multi-life discount*
- Optional 5% Compound Inflation Rider
- Optional Non-Forfeiture Benefit Rider

Important Note:

Some should consider LTC coverage sooner than retirement. Moreover, LTC coverage is important for those you love as well. NIS accommodates you and those close to you.

This LTC plan is available through NIS on a fully underwritten basis, at any time, for you, siblings, parents, in-laws, grandparents, spouse, and, regardless of relationship, anyone you care about.**

If you have questions about the NIS LTC plan, please call 800-810-6537.
