The Michigan Compulsory Attendance Law requires a parent, legal guardian, or other person having control or charge of a child age six to sixteen to send the child to school during the entire school year. A child is not required to attend a public school in the following cases {Revised School Code 380.1561 (3)(4)}:

(3)(a) The child is attending regularly and is being taught in a state-approved nonpublic school, which teaches subjects comparable to those taught in the public schools to children of corresponding age and grade, as determined by the course of study for the public schools of the district within which the nonpublic school is located.

(3)(f) The child is being educated at the child's home by his or her parent or legal guardian in an organized educational program in the subject areas of reading, spelling, mathematics, science, history, civics, literature, writing and English grammar.

(4) For a child being educated at the child's home by his or her parent or legal guardian, exemption from the requirement to attend public school may exist under either subsection (3)(a) or (3)(f) or both.

I hereby intend to educate my child(ren) at home in an organized educational program and be exempted from the compulsory school attendance provision of the Revised School Code under exemption 380.1561(3)(f) as stated above:
