Career Camp

June 14-18, 2021

Monday - Friday

9:30-2:30

Registration priority will be given to Van Buren County 6th, 7th, and 8th-grade students until April 30th.

May 1st - 15th out of county partner districts may register. May 15th - June 1st registration is open to all.

Camp sizes are limited. Payment must be received to hold your position in camp.

Please return the bottom portion and your \$15 registration fee to VBISD, 250 South Street, Lawrence, MI 49064.

Attention: Julie Steinke by June 1st, 2021 to confirm your participation.

If paying by check, please make your check payable to VBISD.

Campers will receive a \$15 refund on the last day if they have perfect attendance for the week.

Agriculture Animal Adventures

Do you love animals and want to know how to care for them? In Agriculture Animal Adventures you will learn how different animals are put together from their DNA to their bones to their physical traits. You will also learn how to handle and feed animals like rabbits, cows, and pigs while keeping yourself healthy and safe.

Creation Station

Are you creative? Do you dream of ways to make your world more interesting? Become a creator in the graphic art and printing Creation Station and bring your ideas to life using professional imaging software applications (Adobe Creative Suite) to make art and designs. Apply your work to vinyl, cloth, and paper while you explore the fields of art, graphic design, and the print industry.

CSI: Crime Scene Investigation

Ever wonder about police work? Would you like to investigate a crime scene? Dust for prints? Take footwear impressions? In this camp, you will even talk with real police officers!

Cybertech Robo-Netics

Engineering robots and computer networks to build the future!
Topics include: programming, robotics, networking, wireless, python, Linux, artificial intelligence!

#MyBusiness

Create your own business and start earning money now! Develop a business name and create a company logo. Design your own business cards and advertising materials. Hear about the success stories of other business owners and learn creative ways to advertise and market your own business, including starring in your own commercial!

Need for Speed

Are you a car fan? Enjoy working on cars? In Need for Speed, you will learn to change oil, rotate tires, and much more!

Rescue Camp

Put out the FIRE and save a LIFE!

Rescue camp explores the work and life of a firefighter and EMS worker. Get hands-on experience with search and rescue, ropes and knots, fire hoses, first aid, and much, much more. Work, learn and have fun with real firefighters and EMS workers.

Salon Extravaganza!

Do you imagine working in a real salon? Would you like to learn some tips and tricks used by the pros? If so, then this is the camp for you! Learn hand, nail, skin, and hair techniques used by professionals in a real salon setting! Join us for a hair-raising experience!

Taste the Future

Join us for Fruit Carving, Pizza tossing, Pretzel twisting, Cookie rolling, and more.
Come have fun with food!
